

MasterCraft

INNOVATIONS & AWARDS

BORN TO LEAD

Being dedicated to your craft goes beyond chasing tangible awards. It means earning them through unmatched performance, merit, and innovation. We put together a comprehensive list to share the progress and strides MasterCraft has made over the years, and to showcase what it means to be a leader in the industry.

60s

1968

- The first MasterCraft is built
- First hand-laid fiberglass ski boat for better strength and consistency
- First hinged engine box for easier access

1972

- MasterCraft pulls its first national championship
- Larger fuel inlet for easier fueling
- First marine-grade carpeting for longer wear

1973

- MasterCraft pulls Kris LaPoint to its first slalom world record

1975

- The first Stars & Stripes model was created

1976

- MasterCraft pulls new world records in men's slalom and tricks
